

INDIAN INSTITUTE OF MASS COMMUNICATION
(Deemed to be University under Distinct Category)

Dated the 3rd July 2024

Public notice regarding MA Program interviews in ONLINE mode

After the announcement of the interview schedule for two MA Programs on the IIMC's website (www.iimc.gov.in), some candidates have written to the IIMC through email and WhatsApp with the request for ONLINE interview, instead of interview in physical mode. Considering requests from more candidates for online interviews, IIMC has decided to extend the date for accepting request for the same.

All candidates are informed that if they want to appear for the interview in ONLINE mode (instead of physical mode), they can send a request on email, mentioning their name, MA-MBS / MA-SC numbers, email and phone number, to admissions@iimc.gov.in before 2 pm on 4th July 2024. Please mention "Request for online interview for MA MBS or MA SC or both Program" in the subject line.

Requests not sent on this email ID shall not be entertained.

The request for online interviews shall not be entertained after this deadline.

Candidates, who have already received joining links on their emails, need not send request again.

Moreover, those who has already sent such a request (but have not received joining link in their email) need to send fresh requests on the above email ID (admissions@iimc.gov.in)

Date for online interview for candidates, who have not already received joining links, shall be notified on 5th July 2024. IIMC shall send joining links on individual mail IDs of candidates.

The admission of all candidates, who appear for online interviews, shall be provisional and subject to verification of documents in physical mode. If they are found to be ineligible as per the criteria mentioned on the IIMC website and its prospectus, their admission shall stand cancelled.
