Public Notice

Successful candidates of MA Programs are informed that if they had already secured admission to any of the Diploma Programs offered by IIMC (2024-25 session) by depositing fee, their fees shall be adjusted against the fees for the MA Programs, if they decide to withdraw from the Diploma Program to join the MA Program.

They, however, need to deposit the balance fee, if any, before the due date for fee submission, i.e. 17th July, 2024. All candidates withdrawing from Diploma Programs to take admission to any of the MA Programs need to send a mail to admissions@iimc.gov.in to inform about their decision latest by 2.00 p.m. on 17th July, 2024.

Similarly, candidates whose names appear on the merit list of both MA Programs need to send a mail to admissions@iimc.gov.in latest by 2.00 p.m. on 17th July, 2024 to inform about their choice of Program. This is additional to the information about fee, which they need to send to the mail IDs mentioned in the bank mandate uploaded earlier along with the merit list.
